Sometimes I'm an angel Sometimes I'm a beast
Sometimes I'm a sinner sometimes I'm a priest
Sometimes I'm a warrior fighting in a bloody war
Sometimes I'm a lonely child who's hiding from the world

Sometimes I'm high and sometimes I'm pure
Sometimes I wish that you'd open the door

Take a look at me, this is how I'll be
I will play the game, in tomorrow's dreams
So I must play my part, to the end from the start
But everytime you'll still be in my heart

Sometimes I'm a pirate sailing the seven seas
Sometimes I'm a soldier who's fighting under siege
Sometimes I'm a rich man who's got houses of gold
Sometimes I'm the monk who's given up all the world

Sometimes I'm alive and sometimes I'm dead
Sometimes I'll do anything for a crumb of bread

Take a look at me, this is how I'll be
I will play the game, in tomorrow's dreams
So I must play my part, to the end from the start
But everytime you'll still be in my heart

Sometimes I'm a winner sometimes I'm worse
Sometimes I feel like the master of the universe
Sometimes I'm a prisoner sometimes I'm free
Sometimes I'm Peter Cushing sometimes I'm Christopher Lee

Sometimes I'm something I didn't wanna be
Sometimes I'm Elvis or Freddie Mercury

Take a look at me, this is how I'll be
I will play the game, in tomorrow's dreams
So I must play my part, to the end from the start
But everytime you'll still be in my heart

In my heart
