She's a mother and a daughter  
She's priestess I'm the altar  
And I warned her, in my headroom  
There are things that might annoy her

You better listen clear, you better listen fast  
Wronged Child  
When you feel the thunder it's the feeling you're under

That's the Way it's gonna be  
That's the Way for you and me

Now you're in the floor now  
And I'm thinking what to do now  
You got it, I don't want it  
Pretty things that I'm not buying

You better listen clear, you better listen fast  
Rainbow  
When you feel the thunder it's the feeling you're under

That's the Way it's gonna be  
That's the Way for you and me
