Aww shake that spin Feelin crazy you know what I
mean? Getting on my nerves everywhere
motherfuckers I just wanna kill it all
I don't care what anybody says I don't care what people
do They're just fucking around all the time Right?
Politicians All these fucking behenchods everywhere
you go Trying to get me down

So I think maybe I need to take a vacation maybe go
someplace you know... far away... far away from
humanity... Humanity if you will

You know I think that I wanna go to a place
Where I can just feel free take it easy and have a good
time

I don't wanna be yo piece of meat... All that education,
all that work just going down the drain

Coz I know I know I know that I still believe, I still
believe... Oh yes, well

It just so happens that, you know? you can't really... you
can't really predict the future
But you can prepare for it to a great degree... I suggest
buy firearms... get a good AK47... stash it in your
backyard... yeah that will help
Apart from that I would also suggest some hand
knives... maybe a pocket calculator?... hand held
bombs... maybe a grenade?... that could really work...
it's always good to keep all these things

Jab bhi main TV on karta hoon mujhe lagta hai ki maine
tatti khai hai
Kyunki main sirf kachda dekhta hoon... kachda...
bollywood ka kachda... bombay ka kachda... general
India ka kachda... not just India ka kachda... har jagah
ka kachda
Non stop bullshit... that's whatCorporations.the worst...
They are the worst
People who do things for money... They are the worst
Theyd sell their mothers for a buck

Is liye main keh raha hoon behenchodon ko pakad ke
unki gaand phaad do...

Yeah... you gotta... there's gotta be some justice in the
world you know what I'm saying? You gotta go out and
You gotta go out and**** the strong arm of the law
That's what we need
That's what I'm talking about
We need more action More substance More
putrefaction More defecation
More more brilliance in that department... Badly...
That... that's really what we need
You're not getting any of it... That's what I'm trying to
tell you
Coz the world is run by assholes
Everywhere you go

Okay lets take down the words... one by one... a lot of
people that I wanna thank
Heres the thanks list Just take it easy now
Bollywoodmotherfuckers... madarchods... All of these
guys... they're all motherfuckers
You motherfuckers couldnt write an original tune to
save your lives
... you know what I'm saying?

Why do I have to put up with you? I don't have to put up
with you
I'm not going to listen to any of your shit I don't have to
I don't like the music I hear I'm going to make my own
music
You know what I'm saying? that's what I'm doing
What you're about to listen to is pure subliminal action
The best thing you'll ever hear in your whole lives
That's right, that's what I said
The best thing you'll ever hear in your whole goddamn
lives
The best thing you'll ever hear in your life
Right here
You're listening to it fuckers
Eat it
I don't need your sympathy
Nahi chahiye mujhe nahi chahiye
Batti bana ke gaand mein le lo behenchod

~~Subliminal Message~~

There's so much evil everywhere... I don't know where
to start
You can buy and sell stars... sorry I'm not for sale
You can get ahead by sucking cock... but you're still a

cocksucker

I swear by God everyone gets what they deserve!
Your money aint gonna save you!
You think killing defenseless people makes you a
hero... think again.asshole

I don't care what the neighbors say
I'll do whatever I like
And I don't care what's gonna happen today
And I don't need your advice

I get up get out and I'm going to rock my way
I'm gonna make it happen, I'm gonna make it today

I don't wanna be a piece of meat
I know that I still believe
I just wanna be a wrecking machine
I just wanna be young and free
So keep me young and free

I don't care what you say to me
I'll follow my own way
I and what the ever will happen today
Guess well find out another day

I get up get out and I'm going to rock my way
I'm gonna make it happen, I'm gonna make it today

I don't wanna be a piece of meat
I know that I still believe
I just wanna be a wrecking machine
I just wanna be young and free
So keep me young and free
