How can I pretend that I like your new friend, when all I  
want is you?  
How can I put up with him saying "buttercup", when all I  
want is you?  
All I want is you  
We been through all this before, it's not funny  
anymore, that all I want is you  
It's getting quite absurd, the worst hang up ever heard  
of, that all I want is you  
All I want is you

I keep telling you, I've got lots of things to do, I've got  
girlfriends old and new  
You keep telling me that "It's crazy", and it's true that  
it's crazy, but I'm not, but  
I keep telling you, I've got lots of things to do, I've got  
boyfriends old and new  
'Cause starting up again would be nothing but insane  
and a messed-up thing to do..

It's painful to admit, but I've been feeling like shit,  
'cause all I want is you  
It's getting quite absurd, the worst hang up ever heard  
of, that all I want is you

All I want is you

No! I gotta get a hobby, something soothing for my  
soul, to get my mind off you  
Yeah, I'm gonna get a job and a cute little dog, then  
look for someone new  
And forget I ever wanted you

I keep telling you, I've got lots of things to do, I've got  
girlfriends old and new  
You keep telling me that "It's crazy", and it's true that  
it's crazy, but I'm not, yet  
I keep telling you, I've got lots of things to do, I've got  
boyfriends old and new  
'Cause starting up again would be nothing but insane  
and a messed-up thing to do

How can I pretend that I like your new friend, when all I  
want is you?  
It's getting quite absurd, the worst hang up ever heard  
of, that all I want is you  
All I want is you, all I want is you
