Oh,  
I Have seen the strong turn frail,  
insufficiency turn their once proud cheeks pale  
And I have seen the fruitless love  
of cygnets down the bay  
and how the younger make their way  
with "a little help from their friends"

And I  
I have heard of how the cygnets cry,  
I wonder how, how to make her cry that way  
-Say, can I make You shake  
like cygnets shake, when cygnets break?  
-Can it ever be the same?

Oh,  
it is still not long ago  
that I believed in wages of sin an so  
And She,  
such a wicked androgyne  
So maybe should I strike her on her chin  
or should I cut her head in two...  
-Yes, thats what I ought to do...

Cause I  
I have heard of how the cygnets cry,  
I wonder how, how to make her cry that way  
-Say, can I make you shake  
like cygnets shake, when cygnets break?  
  
-Can it ever be the same?  
Cause i have heard the sound..

But  
when she leans against my shoulder  
I know nothing can be stronger  
so I dont see why i worry...  
-I just cant stand the thought of that sound,  
aww, that sound...

-But Hey,  
Hey, I saw her yesterday

and i never felt my heart take a leap that way  
Now, I must know more waste my time  
Now im gonna push it up her spine  
Im gonna make her weep and whine,  
-All because I love her...

Cause I  
I have heard of how the cygnets cry,  
I wonder how, how to make her cry that way  
-Say can I make You shake  
like cygnets shake, when cygnets break?  
-Can it ever be the same?  
Cause i,  
i have heard the sound!!
