One day I will become
the father of a son
Hallelujah Hallelujah Hallelujah!

Well, Iâ€™ve had my share
Of remarks about my rear
But I know itâ€™s all about fear
And that youâ€™d probably love it
if youâ€™d only dare

And I know a thousand girls
whoâ€™d go wild
If Iâ€™d ask them to bear my child
So I donâ€™t see why youâ€™d even care
to prevent me
cause I can swear,

That one day I will become
The father of a Son
Hallelujah Hallelujah Hallelujah!
One day I will become
the father of a Son
Hallelujah Hallelujah Hallelujah!

And youâ€™re totally fogged in your head
If you were serious right now
when you said
That itâ€™s because
they will be bullied in school
cause that means you let the bullies set the rules

And you can legislate and oppress
and you can make my life a mess
But you can't change the way I feel
Or convince me that my wish is unreal
And you can strike me down
and fence me
And you can claim
that thereâ€™s opinion against me
But Iâ€™ll still win over You, Sir
cause if you fight Love,
youâ€™re always a loser

And one day I will become
The Father of a Son
Hallelujah Hallelujah Hallelujah!
One day I will become
The Father of a Son
Hallelujah Hallelujah Hallelujah!

And I may be gay
But I can tell you straight away
That Iâ€™ll become a better father than all of you anyway
(So listen!)
One day I will become
the Father of a Son
Hallelujah Hallelujah Hallelujah!
