I have never been mean  
Never been as bad as it may have seemed  
I have never been vile  
Never been twisted or unkind

Maybe I'm working too hard  
Maybe I'm out of my mind  
Maybe there will be a day  
'Cause I've been losing my way  
For such a very long time  
That now I no longer know  
Where to go

Oh, I wish I was a virgin  
A virgin like you  
I wish I had a distance  
To put me through  
I wish I had a burden  
Wish that I had a dream  
I wish I was as simple as you seem

Here we go again  
When every direction leads to pain  
And the one left I know  
Is the one that I'm most certain  
I don't want to go

Maybe there will be a day  
Maybe I'm out of my head  
Maybe love wasn't for us  
'Cause I've been losing my touch  
For such a very long time  
That now I no longer know  
Very much at all

I wish I was a virgin  
A virgin like you  
I wish I had a distance  
To put me through  
I wish I had a burden  
Wish that I had a dream

I wish I was as simple as you seem

There was a time when I was a man  
And everything was easy to understand  
But now I'm floating like a shipwreck  
Shrunk to fit in a foreign land

I have never been mean,  
Never been as bad as it may have seemed
