I'm dangerous
'Cause I'm ridiculous
And it seems to me
That I'm a threat to the
Whole society
'Cause I ain't got no dignity
So if you want respect from me
-Well, have it for free
It's worth nothing to me
And in your eyes I see
It's something else you seek
-It's fear that you wanna see

But I ain't too proud to bow
I ain't too proud to kneel
I ain't too proud for any gesture
That is meaningless to me
I ain't too proud to beg
I ain't too proud to run
'Cause I don't want respect
I'd much rather have fun

If you think you're tough
When you're laughing at us
Well, it's no big buzz
-You can laugh if you must
'Cause me and my friends
Like the way that we look
And that's enough for us
And we don't want no fuss
But if you'd like to stay
Then to me it's OK
-And I don't say there's anything
Wrong with your head
Just wish you'd try to
Think for yourself instead

Cause I ain't too proud to bow
I ain't too proud to kneel
I ain't too proud for any gesture
That is meaningless to me

I ain't too proud to beg
I ain't too proud to run
'Cause I don't want respect
I'd much rather have fun

So it's fear you wanna see

But I ain't too proud to bow
I ain't too proud to kneel
I ain't too proud for any gesture
That is meaningless to me
I ain't too proud to beg
I ain't too proud to run
'Cause I don't want respect
I'd much rather have fun

Ooh lalala Ooh lalala
Ain't too proud to bow
Ain't too proud to beg

Ooh lalala Ooh lalala
Ain't too proud to bow
Ain't too proud to beg

Oh I ain't too proud to bow
I ain't too proud to kneel
I ain't too proud for any gesture
That is meaningless to me
I ain't too proud to beg
I ain't too proud to run
'Cause I don't want respect
I'd much rather have fun
