People here in your neighbourhood  
Act real cool but they dance no good  
I don't care what the others say  
When I've found a new game to play

Claim to fame, clamour for glamour  
A padeo a pa padeo  
Claim to fame, clamour for glamour  
Oh padeo oh pa padeo

So come and get it  
Get it good  
Like I knew you would

People here in your neighbourhood  
Act real cool but they dance no good  
I don't care but I've been told  
That all those people ain't got no soul  
I kick them where the sun don't shine  
And take you down to my side of town  
I don't care what the others say  
When I've found a new game to play

Claim to fame, clamour for glamour  
A padeo a pa padeo  
Claim to fame, clamour for glamour  
A padeo a pa padeo x3
