Well you've heard about things and you've heard about
fangs
And you've heard about song and you've heard about
dance
And you've heard them all say you don't stand a
chance but:
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon

People all around your town
They all have that suspicious frown
And it wears you out and it wears you down, but
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon

Aaoow! Aaoow! Girl you're gonna get 'em, real soon!
Aaoow! Aaoow! Girl you're gonna get 'em, real soon!
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon

Well you've heard about rumba and you've heard about
jazz
And that if you really want it then you have to ask
And that's when you're gonna say: You can kiss my
ass!
'Cause Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon

And you've heard about monkeys and monkey-do
And that monkeys all are cheaters and it's mostly true
But I tell you little monkey that this monkey tells the
truth when he says:
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon

Aaoow! Aaoow! Girl you're gonna get 'em, real soon!
Aaoow! Aaoow! Girl you're gonna get 'em, real soon!
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Aaoow! Aaoow!

Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em, real soon
Girl you're gonna get 'em
