In my youth I was a loner
And the gaudy red persona
was still hanging on the wall
a-waiting to enthrall

Had no cannabis to sedate us
So we smoked carrots and potatoes
Tea and head-ache pills
But I can't recall the thrills...

So don't talk to me like that
I'm also a cat
Don't know where you've been
But I know where it's at

It's taken me time to work out what to do
What to do with you
Took me all afternoon to think it all through
But now I'm done, done, done, done thinkin'
Done, done, done and I'm thinking:
Oh, Oh No!

Hey Kwanongoma!
You spin me around
Hey Kwanongoma!
My head upside down
Hey Kwanongoma!
I'm down on my knees
Hey Kwanongoma!
I'm begging you please

Hey Kwanongoma!
How low can you go?
Hey Kwanongoma!
When you're out on your own
Hey Kwanongoma!
How low can you go?
Hey Kwanongoma!
How low can we go?

Then you came along

My whole world was changed
With fire and song
My old dreams were gone

And I knew that nothing could tear us apart
And nothing did tear
Tear us apart
Now it hurts in my heart

(And I'm singing) na-na-na-now nothing
Na-na-na-nothing is all I got

Hey Kwanongoma!
You spin me around
Hey Kwanongoma!
My head upside down
Hey Kwanongoma!
I'm down on my knees
Hey Kwanongoma!
I'm begging you please

Hey Kwanongoma!
How low can we go?
Hey Kwanongoma!
When we're out on our own
Hey Kwanongoma!
How low can we go?
Hey Kwanongoma!
How low can you go?

Hey Kwanongoma!
Hey Kwanongoma!
Hey Kwanongoma!
Hey Kwanongoma!

Hey Kwanongoma!
You spin me around
Hey Kwanongoma!
My head upside down
Hey Kwanongoma!
I'm down on my knees
Hey Kwanongoma!
I'm begging you please

Hey Kwanongoma!
How low can we go?
Hey Kwanongoma!
When we're out on our own
Hey Kwanongoma!
How low can we go?
Hey Kwanongoma!

How low can you go?
