Whatever happened to the funky race?  
A generation lost in pace  
Wasn't life supposed to be more than this?  
In this kiss, I'll change your bore for my bliss  
Let go of my hand and it will slip out  
In the sand if you don't give me the chance  
To break down the walls of attitude  
I ask nothing of you  
Not even your gratitude

And if you think I'm corny  
Then it will not make me sorry  
It's your right to laugh at me  
And in turn, that's my opportunity  
To feel brave

Because ridicule is no shame  
Oh it's just a way to eclipse hate  
It's just a way to put my back straight  
Oh it's just a way to remain sane

Every morning I would see her getting off the bus  
The picture never drops it's like a multicoloured  
snapshot  
Stuck in my brain it kept me sane  
For a couple of years as it drenched my fears  
Of becoming like the others  
Who become unhappy mothers  
And fathers of unhappy kids  
And why is that?  
'Cause they've forgotten how to play  
Or maybe they're afraid to feel ashamed  
To seem strange, to seem insane  
To gain weight, to seem gay  
I tell you this:

That it takes a fool to remain sane  
Oh It takes a fool to remain sane  
Oh It takes a fool to remain sane  
Oh In this world all covered up in shame

Oh, take it to the stage!

So, take it to the stage in a multicoloured jacket  
Take it jackpot, crackpot, strutting like a peacock  
Nail Varnish, Arkansas, shimmy-shammy feather boa  
Crackpot haircut dye your hair in glowing red and blue

Do, do, do, what you wanna do  
Don't think twice, do, what you have to do  
Do, do, do, do, let your heart decide  
What you have to do, that's all there is to find

'Cause it takes a fool to remain sane  
Oh, it takes a fool to remain sane  
Oh, in this world all covered up in shame  
Oh, it takes a fool to remain sane  
Oh, it takes a fool to remain sane  
Oh, it takes a fool to remain sane  
Oh, in this world all covered up in shame  
Oh, it takes a foool...
