So God made woman and God made man
And God made them understand
Nature's law and the good God's grace
The rest was to unknown remain...

You broke the rules just to see for certain
What it's like to be crucified
You bit the apple, you pulled off the curtain
And I hope you'll find
You're racing with the rabbits

But flesh must follow lust's decree
So how could nature disagree?
But flesh shall fail and the damage's done
You've started a race that can't be won...

You broke the rules just to see for certain
What it's like to be crucified
You bit the apple, you pulled off the curtain
And I hope you'll find
You're racing with the rabbits
(x3)
You're racing with the rabbits
You're racing with the rabbits
You're racing with the rabbits...

What it's like
To be crucified (..fied, ..fied, ..fied, ..fied)

What it's like...
I wanna, I wanna, I wanna

You broke it just to see what it's like to be
You wanna know what it's like to be crucified (..fied,
..fied, ..fied)

(You broke it just to see what it's like
Like to be, to be, I wanna, I wanna ...
I wanna know, I wanna know, I wanna know ...
I wanna know what it's like to be crucified

...

God made man...

...

Flesh must follow lust's decree)
