Why should it be so bad to be bad  
When it's so hard to be anything at all?  
And why does everyone seem to forget  
What it's like to be all alone  
As soon as they have got someone?

No, it's no fun  
It makes me wanna vanish and die  
Maybe I'll throw all my clothes  
Into a waterfall and sit and spy  
While they all cry

You get so silly when you're lonely  
And you think that you're the only  
Who say

I hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older

Well, I hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older

Maybe you all would consider it a joke  
If I say that I hate myself  
But now and then when I look into the mirror  
All I see is a big mistake  
And wouldn't you?

Well, I just wanna be fun  
Just wanna be the one  
Who makes you smile

Well, I just wanna believe  
That I could be something to someone  
Am I the only one around here  
Who's not gonna live my life in fear?

I hope that someone's gonna call

And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older

Well, I hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older

(I don't understand you)  
And why would you?  
(Can you tell me what is on your mind?)  
I don't have words to say  
How much I think I owe you  
We ain't gonna live our lives in fear

That I hope that someone's gonna call  
And tell me this night is over  
'Cause I wanna start living my life  
Before I get much older

I hope that someone's gonna call  
(Someone call)  
And tell me this night is over  
(Over)

'Cause I wanna start living my life  
(Live my life)  
Before I get much older  
(Oh oh)

I hope that someone's gonna call  
(Someone call)  
And tell me this night is over  
(Over)

'Cause I wanna start living my life  
(Live my life)  
Before I get much older  
(Oh oh)

But I hope that someone's gonna call  
(Someone call)  
And tell me this night is over  
(Over)

'Cause I wanna start living my life  
(Live my life)  
Before I get much older  
(Oh oh)

I hope that someone's gonna call  
(Someone call)  
And tell me this night is over  
(Over)

'Cause I wanna start living my life  
(Live my life)  
Before I get much older  
(Oh oh)

I hope that someone's gonna call  
(Someone call)  
And tell me this night is over  
(Over)

'Cause I wanna start living my life  
(Live my life)  
Before I get much older  
(Oh, oh)
