I've got something inside me and I know that it's good
And it's not about the way I act or the way I look
And it's not about the quantity of people who want to
sleep with me, oh no
It's all in the heat that makes me feel good

And you can tell me I'm wrong
But I will still sing this song
Cause I waited so long for the sun to come on in my
marrow

And now I'm glad, yeah
Now I'm glad, yeah
Now I'm glad and I know that can't be bad

Yes now I'm glad, yeah
Yes now I'm glad, yeah
Now I'm glad and I know that can't be bad

Well, I look to the left and I look to the right
And then I go straight ahead cause neither seems
right, o'boy
What do they know 'bout the heat?

Cause it's a constant struggle to get things right
While corporate jerks try to steal my shine, o'boy
So why don't we take it to the streets?

And if they tell you you're wrong
You tell them I can't be wrong
Cause I'm not doing this for you, I'm doing it to be true
to my body

And now I'm glad, yeah
Yes now I'm glad, yeah
Now I'm glad and I know that can't be bad
Yes now I'm glad yeah
Yes now I'm glad, yeah
Now I'm glad and I know that can't be bad
You know it's all about glad yeah.. yeah
Now I'm glad

And I know that can't be bad
