So you call me a black sheep  
Don't you know I am the pure lamb?

So you call me a black sheep  
Don't you know I am the pure lamb?

Ready for sacrifice  
So humble and warm  
So fearless and strong  
But so wrong

So you say a fallen angel  
So you say me are an hypocrite  
Don't you know that who the cap fits  
Don't you know that he shall wear it?

Ready for sacrifice  
So humble and warm  
So fearless and strong  
But so wrong

And he tells me that:  
I am the lamb  
I am the crucified  
I am the lamb  
I am the sacrifice

So you say I live in harmony  
You say that you're as pure as you can be...  
Now you say you're fully satisfied...  
(Didn't you know... - This is the land where pureness die)

Yeah, I'm the lamb  
I'm the lamb, I'm the lamb  
I'm the lamb  
I'm the lamb, I'm the lamb  
I'm the lamb  
I'm the lamb, I'm the lamb  
I'm the lamb  
I'm the lamb, I'm the lamb

I'm the lamb  
I'm the lamb, I'm the lamb...

(Yes I wanted to live, I wanted to love  
I raised my bow to the precious stars above  
I didn't wanna carry your eternal sins  
But the profecies carried me within  
We're all the children of murderers  
We're all the children of killers  
And upon our precious shoulders we carry their original  
sin  
Lord , now make me ready to walk against the tide,  
Hold my head up steady  
And may my foot not slide)

I'm the lamb  
I'm the lamb, I'm the lamb  
I'm the lamb  
I'm the lamb, I'm the lamb  
I am the lamb  
I am the crucified  
I am the lamb  
I am the sacrifice  
I am the lamb  
I am the crucified  
I am the lamb  
I am the sacrifice..
