Visit "[Tired Of Being An Object?](#)" on MotoLyrics.com

Are you tired of being an object?
Or did you never get the chance to be one
And now you wanna make sure there's no fun you've
been missing?

Are you tired of being an object?
Or are you just jealous that you ain't one
Now you realized that those objects does all the
kissing?

Well don't project your spleen on the girl on the
magazine
You never know, maybe she's feeling quite
comfortable
The only human right for which I'm gonna fight
Is everybody's right to sometimes feel irresistible

Uh-oh, maybe it's you who need confidence?
Or maybe it's you who need real friends?
Well she doesn't need your voice 'cause she already
got one
(Oh hilarious dude)

And though she doesn't push with as much force
It can even be stronger than yours
When she uses it in a sensi-sensi-sensual whisper

And don't project your bore on the girl on the dance
floor
She doesn't at all find the men's looks abusive
She doesn't want your shield - maybe she's the one
who's free
Maybe sometimes getting fucked can be amusing...?

And don't project your bore on the girl on the floor
Don't project your bile on the girl you can dial
She doesn't want your shield - maybe she's the one
who's free
Maybe sometimes getting fucked can be amusing...?

And don't project your bore on the girl on the dance

floor

She doesn't at all find the men's looks abusive

She doesn't want your shield - maybe she's the one
who's free

Maybe sometimes getting fucked can be amusing...?
