Uriel laughs, I'm drinking water
Dressed in the clothes, that I have bought her
She looks like a lamb, held up for slaughter
She is my solemn skies' daughter

But she's in the water, and I'm gonna find her
Down at the bottom, she is alive
Seagrass and bracken, is kissing her wavelet
Down at the bottom, and wave their bye-byes

You realize that I need comfort
Words that are spells, laughter that's transport
From day to day, when words are spoken
When she laughs silence is broken

But she's in the water, and I'm gonna find her
Down at the bottom, she is alive
Seagrass and bracken, is kissing her wavelet
Down at the bottom, and wave their bye-byes

This one's for you, good friend and brother
If I would slip, if I would kill her
Then take these words, spread them above her
Tell her I never could love her

'Cause she's in the water, and I'm gonna find her
Down at the bottom, she is alive
Seagrass and bracken, is kissing her wavelet
Down at the bottom, and wave their bye-byes

Sheee..
Sheee..

..is in the water, and I'm gonna find her
Down at the bottom, she is alive
Seagrass and bracken, kissing her wavelet
Down at the bottom, wave their bye-byes
Bye..

Bye..
