Icons of lust and evil
Worship the primeval cult of flesh
Bestial ceremony
The unholy congregation starts to blaspheme

In the house of the nazarene
Fucking whores divine
Bitches in black and white
Cumming on the cross

Satan, now it's time to rise
Take me, to stand at your left
Christians, now it's time to kneel
Suck me, for your god is dead

I stand above all gods
Of anger and hate I was wrought
I stand before you
As Baphomet

Rise! You, demons of hell!
As I tell the ancient words
A circle of blood, lines of cum
Possess my body, free my black soul

Look into my eyes
See the burning hate that boils inside
Virgin Mary's a slut
Now come and lick my holy cum
You bitch!
Thorns that made him bleed
Nails that make me cum eternally!

Jesus sucks Satan in hell
And receives the seeds of evil
Black cum all over his face
The goat laughs
As demons ready their cocks

One by one, the blasphemy starts
Once the son of god
Now the whore of fucking hell!

Cum on the lord
