Chorus:

You're no KODA like me
Your parents are hearing mine are deaf you see
You're no KODA like me
I get to go to camp I can see your envy
You're no KODA like me
I can talk with my mouth and with my hands
You're no KODA like me
We got the greatest camp in all the land

Verse 1:

Hailing from the MD repping my camp
Here to let you know this is where it's at
New York State the Adirondacks
Putting in work get this place on the map
That's that
No one can match us
Competition doesn't even stack up
That's what's up
Can't deny us
Given a challenge that's when we rise up
Too powerful we can't be stopped
We'll not be caught and we can't be rocked
Believe what I say I'm speaking the truth
We are the best of the best I don't meant to be rude
That's what I am I know ASL and my parents are deaf
I get amped
Every time I come to camp
It's my approval that I stamp

Chorus:

You're no KODA like me
Your parents are hearing mine are deaf you see
You're no KODA like me
I get to go to camp I can see your envy
You're no KODA like me
I can talk with my mouth and with my hands
You're no KODA like me
We got the greatest camp in all the land

Verse 2:

There's no way you can diss us

When it's time to get ready we get down to business
Work hard but we play even harder
We're ahead of other camps leave them in the back
burner
Trust when I tell you this
I don't mean to diss
Every single thing that I tell you is legit
We're a diverse group from different places
With a common bond no one replace us
I'm gracious so thankful
Get to spend five weeks with amazing people
That I trust and adore with all my heart
Couldn't ask for more
These people got my back
We get together we got it in the bag
Untouchable no way you can play us
Better believe you can't ever take us

Chorus:

You're no KODA like me
Your parents are hearing mine are deaf you see
You're no KODA like me
I get to go to camp I can see your envy
You're no KODA like me
I can talk with my mouth and with my hands
You're no KODA like me
We got the greatest camp in all the land
