"What I Got"

Early in the morning, risin' to the street
Light me up that cigarette and I strap shoes on my feet
Got to find a reason, a reason things went wrong
Got to find a reason why my money's all gone

I got a dalmation, and I can still get high
I can play the guitar like a mother fucking riot
Life is (too short), so love the one you got
Cause you might get runover or you might get shot

Never start no static
I just get it off my chest
Never had to battle with no bulletproof vest
Take a small example, take a tip from me
Take all of your money, give it all to charity
Love is what I got
It's within my reach

And the Sublime style's still straight from Long Beach
It all comes back to you, you'll finally get what you
deserve
Try and test that you're bound to get served
Love's what I got don't start a riot you feel it when
The dance gets hot
Lovin' is what I got
I said remember that Lovin' is what I got

(That's) why I don't cry when my dog runs away
I don't get angry at the bills I have to pay
I don't get angry when my Mom smokes pot
Hits the bottle and goes right to the rock
Fuckin' and fightin', it's all the same
Livin' with Louie the only way to stay sane
Let the lovin', let the lovin' come back to me
