"(By the) Wayside"- Neriah/ Avid- "Altered States"-  
Jetspeed Records- 2005

It's just a matter of time  
before it all goes away  
so tell me everything will be o.k.  
You never know what you'll find  
beside your feelings today  
don't you know- there's got to be a way

By the wayside

Whenever nothing is right  
and everything's upside-down  
know that something's got to turn around  
I'm going out of my mind  
just trying to figure it out  
oh, won't you tell me what it's all about  
By the wayside

How long, how wrong?

It's just a matter of time  
before it all goes away  
so tell me everything will be o.k.  
You never know what you'll find  
beside your feelings today  
don't you know- there's got to be a way?
