"Sunday Blue"- Neriah/ Avid- "Altered States"- Jetspeed
Records- 2005

I know you understand the way I feel, you know it's true
I know you won't look back if you should feel the way I
do
When mourning comes, we may have learned a thing
or two

Sunday blue
Sunday blue
Sunday blue

When nothing goes as planned, it's so unreal, it's
nothing new
how long will it take for this to fade from me and you?
When morning comes the sun won't burn, is that a
clue?
Sunday blue
Sunday blue
Sunday blue

I know you won't look back if you should feel the way I
do
when mourning comes, the tides will turn- we'll see it
through

Sunday blue, Sunday blue, Sunday blue
