

Armchair Martian "Barely Passing"

Feel I'm barely passing
This could almost drag me down
My heart, it barely pounds
And breaking in my spine
This could almost drag me down
My heart, it barely pounds
Cut me through the middle
I could waste you all this time
Walk right off the edge I'm fine
Dropping off, you're violent now
This could almost drag me down
My heart, it barely pounds

Almost cut in two, broke in two
Like I'm half of someone
New to things like you, barely knew
I grow into loved ones
Almost cut in two, broke in two
Like I'm half of someone
New to things like you, barely knew
I grow into loved ones
