(Don't) wanna sing the songs out loud  
And I don't care (what) you've been told  
So (I've) been afraid to let all my pain go  
But I'll embrace the sound  
And I've felt worse than this  
Had years of forcing smiles  
My only pain is watching when you go  
But I'll embrace the sound, for a while  
Give up most the habits that I've had  
But now I face sadness from the past  
So hold on dear  
We'll be fine, you're all I need here
