Jessica suicide takes me for a ride
I'm just a crazy one-armed man
Strange world, dead girl
Die each day or so you say it
How much death can one man stand
How much death can one man stand

I might broadcast your dull eyes
Breathless like you I'm despised
And understand I just can't
Help but stand up to the old lies
This time she'll do it
Too late my bus is leaving
Cause I don't care what you have planned
Cause I don't care what you have planned

Jessica suicide, never even tried
But I gave in to her demands
Death threats, regrets
Go ahead I heard all you've said
Cause bitter always becomes bland
Cause bitter always becomes bland
So scared to characterize
I've always loved your cold eyes
And now I fully realize
I just can't take this deadly surprise
This time she'll do it
Too late my bus is leaving
I don't care what you have planned
I don't care what you have planned
Running on...
I don't care what you have planned for me...
