Don't protect me
Don't defend me
Don't, don't, don't
I'm the only martyr here

Don't wait beside me
Wouldn't even sit down here
If you listened to me at all
Oh well fine, fine enough to die
I'm the only martyr here

And if I could get any smarter
Please don't call my home
It's not your life it's mine
Breathing could be harder
I'm the only martyr
I might wait, celebrate

You wouldn't need to sit down here
If you listened to me at all
Oh well fine, fine enough to die
I'm the only martyr here
I'm the only martyr here

Even though you're not the one
I'd look right through you
Safe with you not having fun
I'd look right through you
I never try, I'm Patsy Kline
