Whose arms are these
And who am I belonging to
Should I (have) told you all these feelings that I've said
Couldn't help but break the news

Everyone falls, everyone falls apart
Faithless seeing monsters, you and I
Everyone falls apart
Skeletons have filled your closet
In this invaded host
I might live through the windshield for a while
Everyone falls
So why shouldn't I
Everyone falls for monsters in time
In time, in time

I don't have the strength to talk to you
I don't have the strength to speak at all
And I'm dying here, hanging on this one last line

I should have told you all these feelings that I had
Couldn't bear but break the news
