Well I used to think that I was better than you  
Because I thought about you  
But now I know that thinking's just the way to deal  
without you  
It's the little things, the stupid games  
To play when someone's watching  
And it makes you feel retarded when there's no one  
else around

And you said I'm numb with you, but I'm numb with me  
I can't give you anything  
I already gave my favorite tee away to someone else  
All I ever wanted was a little action  
And all I needed was some time to react  
(I) may be slow, at least I know  
What it is about me I don't like

So I pick these flowers for you all  
Sunflowers, they make you smile  
Smiling makes you feel like so alone  
It's the little things, the stupid games  
To play when someone's watching  
It makes you feel retarded when there's someone else  
around  
(I) may be slow, at least I know  
What it is about me I don't like  
(I) may be slow, at least I know  
What it is about me I don't like  
Retarded
