

## **Armchair Martian** **"Someday In January"**

Visit "[Someday In January](#)" on [MotoLyrics.com](#)

I don't wanna say anything, speechless I think  
If I had to wake, then I'd drink  
But you're right here, can you defy my stare  
If I can keep my cool we'll have a swinging time  
Didn't take that long to know that things would get real  
weird  
Weird is in the making, that's my fear  
Truth be said, I really miss your smile  
Missing it a while, hell it's been years

When you're here, you're so beautiful my dear  
If I can keep my cool we'll have a swinging time  
But I'm wasting here, just failing my dear  
Failing here alone with stupid pride

I can't pretend I really don't care at all  
Really don't care at all right now, for a while  
Truth be said, I really miss your smile  
I've been missing it a while, it's been years  
Hung on you for years, a bit too much I fear  
Hung on you for years, a bit too much I fear my dear  
Well I barely knew you, took so long to meet you  
Should've never kissed you, happy birthday
