I'm only waving to get out of the way
Know that the check in
Avoids the pain
Wanna get you back
So I can give you away
Head filled with ego
Heart filled with fame
All I know is you came
Too quickly and left the same
Couldn't believe it when you stayed
Just knew you were leaving soon
Just knew you were leaving soon
Enough you're so anxious, bearing the breaking noose
Now the sun goes down too soon
And I wonder who you're hanging tonight
