I came around again, they say I lost my mind  
And you'd know that I was the hardest one to find  
So I'm a xenophobe, I'm a car without a mind  
Speeding a bee line and either or will soar this time  
Come around again, pretend to be my friend  
Because I'll be waiting for you, for the hate to end  
Come around again, pretend to be my friend  
Because I'll be waiting for you, for the hate to end

Xenophobe, he drove a car with rocket fins  
And he ate with his hands, he never knew where they'd  
been  
Xenophobe, he was in love with her and then  
Then he hated her, hated all...  
Come around again, pretend to be my friend  
Because I'll be waiting for you, for the hate to end  
Come around again, pretend to be my friend  
Because I'll be waiting for you, waiting for the hate

Come around again, pretend to be my friend  
Because I'll be waiting for you, waiting for the hate  
Come around again, pretend to be my friend  
Because I'll be waiting for you  
Another one to be with you, another one to see with you  
Another one to be with you, waiting for the hate  
Another one to be with you, another one to see with you  
Another one to be with you, to bend and pound and  
break one more time
