(Intro)

Shorty wanna get with you to night (2x)

(Vers. 1)

I wanna know if we can take it next level
We've been together for a long time.
If your not ready and that's okay
All I wanna do is make you mine.
We've got them close before a few times
Can we go all the way inside?
Cause I wanna make it speciall for you
No regrets I promises you.

(Hook)

We poppin bottels up in the club
Shorty everythings gonna be all right.
And I gott no doubt that your the one
Your the one that give with you tonight.

(Chorus)

Birthday Suit, Birthday Suit.
Shorty can I get wit you any Birthday Suit?
Birthday Suit, Birthday Suit.
Shorty can I get wit you any Birthday Suit?

Shorty wanna get with you to night

(Vers. 2)

I promises some one take you soon
Just relax your mind and let it go.
I'll neva eva hurt you girl
Just edmit when I said your my world.
All I do is just think of you
Way your body is feelin' on me too.
It's gettin real hard to control
Girl I want you wanna give you more.

(Hook)

We poppin bottels up in the club
Shorty everythings gonna be all right.
And I gott no doubt that your the one
Your the one that give with you tonight.

(Chorus)
Birthday Suit, Birthday Suit.
Shorty can I get wit you any Birthday Suit?
Birthday Suit, Birthday Suit.
Shorty can I get wit you any Birthday Suit? (2x)

Pop pop pop!

We poppin' and lockin' and droppin'
Poppin all over the floor.

Poppin' and lockin' and droppin'
Poppin all over the floor.

Poppin' and lockin' and droppin'
Poppin all over the floor.

Poppin' and lockin' and droppin'
Poppin all over the floor.

Poppin' and lockin' and droppin'
Poppin' and lockin' and droppin'
Poppin' and lockin' and droppin'
Poppin all ove the floor.

(Hook)
We poppin bottels up in the club
Shorty everythings gonna be all right.
And I gott no doubt that your the one
Your the one that give with you tonight.

(Chorus)
Birthday Suit, Birthday Suit.
Shorty can I get wit you any Birthday Suit?
Birthday Suit, Birthday Suit.
Shorty can I get wit you any Birthday Suit?
