Intro:

Baby
Ohhh,

Verse 1:

You don't know what you mean
Girl you're my everything
Without You
Nothing means a damn thing baby

Tell me girl what can I do
To make it up to you
To earn your trust again
Cause girl, I love you

Chorus:

I gotta find a way
To make you see that
Loving me is the way, baby
I gotta find a way
To make it right
I gotta find away baby

Oh,
If I can't have you I don't wanna live my life
Had everything but I had to mess it up
Have to find a way to make it right with you, my baby.

Verse 2:

Listen baby,

Ever since you left me girl
Nothing has been the same
Can't wait till my days turn into nights my baby
The pain is so sever
Got me feeling like I'm near
The end of my life
Cause I'm livin without you

Chorus: Repeat

Bridge:

I've waited all my life
For someone like you
I gave into a fight
And now I lost you
There's got to be a way
To forgive me
I got, got to find a way

Chorus: Repeat

Outro:

You don't know what you mean
Girl you're my everything
Without You
Nothing means a damn thing baby

Tell me girl what can I do
To make it up to you
To earn your trust again
Cause girl, I love you
