Verse 1:

Stop, Wait a minute girl
Before I let you go
Wanna let you know
That I'm feeling you so

Wont you give your number
Let me give you mine
Fine as you are girl
You got it going on

Let me see you move it to the left and move it to the
right
Just keep on dancing with me all night.

Wanna get to know, I was wondering
Can we kick it after we're done in the ring
Cause I got so many things that I wanna show
But for now girl wont you show me what you got.

Let me see you move it to the left and move it to the
right
Just keep on dancing with me all night.

Chorus:

Move with it
I wanna groove with it
Let me come through with it
I got the new style, new sound

Move with it
I wanna groove with it
Let me come through with it
I got the new style

That make you wanna bounce
And take you on a ride
And make the DJ's wanna spin this record all night

Verse 2:

Owe owe owe
Damn your so fine
I just wanna take u
Home once were done

Cause I got so many things to show
You show you show, you

Girl your body's banging
Damn I want some
You got me feenin
For that ticking bomb

Let me see you move it to the left and move it to the
right
Just keep on dancing with me all night

Chorus: Repeat

Verse 3:

Stop, Wait a minute girl
Before I let you go.
Wanna let you know.
That I'm, feeling' you so

Wont you give your number.
Let me give you mine.
Fine as you are girl
You got it going on

Let me see you move it to the left and move it to the
right
Just keep on dancing with me all night.

Every time I get too close to you I get
Hypnotized and mesmerized I just wanna get you wet
Take you back to my spot
Up in VIP
We can do whatever girl we got privacy

Let me see you move it to the left and move it to the
right
Just keep on dancing with me all night.

Chorus: Repeat

I got that New Style, New Sound

I got that New Style, New Sound
