Some things disappear inside, should I try to run away  
If I could I would escape you  
I won't argue anymore, I have lost the will to be  
Hope you don't think I'm ungrateful

Close the curtains, lock the door, left my note upon the  
stair  
In the hope you wouldn't read it  
Fake emotions in my head, everything I've seen and  
read  
Can't begin to find a reason

Why? Why are you laughing?  
Is it somethin' that I said

I don't like this place at all  
Makes me wonder what I'm here for  
Someone take this pain away  
Dying to see another day

And I don't want to be your friend  
Or pretend I can fit into  
I'm incensed, I'm blown away  
Dying to see another day
