I really need to get this off my chest
I don't know where to start
Or How we begin
And you'll never know what you mean to me
Under my heart
I'm the same
And I'm dying to be with you
And you care to be with me

And I'm dying to say you're just a runaway, a runaway
I can not believe you're just a runaway, a runaway

You said that this
Would never work
But I know
He doesn't look at you
The way I do

I'm dying to say you're just a runaway, a runaway
I can not believe you're just a runaway, a runaway

Don't runaway
(Don't runaway)
Don't runaway

I'm dying to say you're just a runaway, a runaway
I can not believe you're just a runaway, a runaway
