Sitting here counting the hours
Waiting for the sun to kiss the sea
Paralyzed by the fragrance of the flowers
They remind me of you and me

This one love in a lifetime
Our two hearts of a kind
These three reasons you'll be mine
For there's five or six ways through
Seven days without you
Seven days without you

Making plans just to stop the aching Chasing thoughts from a million miles away Hypnotized as another dawn is breaking I rehearse the words I want to say

This one love in a lifetime
Our two hearts of a kind
These three reasons you'll be mine
For when five and six are through
It's seven days without you yeah
Seven days without you yeah

I will find a way until you're home To let the giant sleep this fire we know is

One love in a lifetime
Our two hearts of a kind
These three reasons you'll be mine
For when five and six are through
It's seven days without you
Seven days without you
Seven days without you
