### "What Is Love?"

Visit "[What Is Love?](#)" on MotoLyrics.com

love you, is so easy to say  
but so many times it doesn't mean a thing  
i love you ,could be everything  
as long as we don't know what love means

i think love is not in what we say, love is in what we do  
and when we say we love we got something to prove

what is love?  
what is love?  
what is love?  
what is love?

i think love is nothing but the truth  
something inside of me and something inside of you  
love is faith and loyalty  
love is sharing ,love is to believe  
i think that is what love could be  
and so much more cos love is deep, love is deep

what is love?  
what is love?  
what is love?  
what is love?

i think love can be good ,love can be bad  
love can make you happy and love can make you sad  
love can break your heart and love can heal your soul  
(2ce)

love can die  
love can grow....
