I heard from a friend today  
And she said you were in town  
Suddenly the memories came back to me in my  
Mind

Chorus:

How can I be strong I've asked myself  
Time and time I've said  
That I'll never fall in love with you again

A wounded heart you gave,  
My soul you took away  
Good intentions you had many,  
I know you did  
I come from a place that hurts,  
And God knows how I've cried  
And I never want to return  
Never fall again

Making love to you oh it felt so good and  
Oh so right

(Repeat Chorus)

So here we are alone again,  
Didn't think it'd come to this  
And to know it all began  
With just a little kiss  
I've come too close to happiness  
To have it swept away  
Don't think I can take the pain  
Never fall again

Kinda late in the game  
And my heart is in your hands  
Don't you stand there and then  
Tell me you love  
Me then leave again  
'Cause I'm falling in love,  
I'm falling in love  
I'm falling in love with... you again

Hold me, hold me  
(Don't ever let me go) Don't ever let me go  
Say it just one time  
Say you love me  
God knows I do love you again
