There is something on your mind
By the way you look at me
There is something on your mind, honey
By the way you look at me

Can what you're thinking bring happiness
Or will it bring misery?

No, no, please don't try to tell me
I may not understand?
No, no, you don't have to tell me, pretty baby
I may not understand?

You want me to try and forget you
But I'll do the best I can
If you ever think about me
If I ever cross your mind, girl

Girl, if you ever think about me, pretty baby
If I ever cross your mind

Well, you know, you know I'm yours
And I know, I know you're mine
Do-do-do-do, mmm mmm
Do-do-do-do, mmm mmm
