Love, ooh, love  
Desire  
Love, ooh, love  
Desire

Love, desire  
Love

Oh, oh, oh...  
Love and desire, yeah  
You are my love and desire  
Love and desire  
Love and desire

You pick me up when I'm down  
And you make my spirit brighter  
I just can't get enough of your love  
I'm a man who's soul is on fire

There is nothing that I'd like better  
Than the feeling that I get  
When you're lying in my arms  
And my head begins to sweat

What a feeling I get with you  
?  
It's just that good old love and desire  
And it's running through my veins

Love and desire  
Love and desire  
Love and desire  
Love and desire

Love, ooh, love  
Desire  
Love, ooh, love  
Desire  
Love, ooh, love  
Desire

Love, desire

Love, hey, hey

What I feel in my heart for you  
Is so easy to explain  
It's just that good old  
Love and desire  
It's running through my veins

Love and desire  
Love and desire  
Love and desire  
Love and desire

Love and desire  
You are my  
Love and desire

Love, ooh, love  
Desire  
Love, ooh, love  
Desire...
