did you  
intimidate her  
her mother says you wouldn't  
let her use the phone  
were you intoxicated  
past the point of knowing  
what was going on

better yet don't forget  
leave the keys on the tv set  
hoping your gone from the corner bar  
here we are  
after dark  
knocking back the makers mark  
scrouging up a dollar from my buddy's car and

lean on sheena  
she leans on me alot  
hold on  
hold on  
hold on to what you got

intimidator  
how'd you make her feel worse  
then she did before  
heard you came back later  
had the upstairs neighbors  
banging on the floor

better yet don't forget  
leave the keys on the tv set  
hoping your gone from the corner bar  
here we are  
after dark  
knocking back the makers mark  
scrouging up a dollar from my buddy's car and

lean on sheena  
she leans on me alot  
hold on  
hold on  
hold on to what you got
