Buzz me in  
Come on I  
Don't feel much like playing this  
No  
Today is just not the day  
What would you say if I came around back  
And climbed in your window  
I wonder what would you say  
I'm coming up  
I'm coming up  
Take my pulse and take my picture  
I wanna be a household fixture  
Build me up  
Just to take me down  
On and on it's never ending  
What's the point in pretending  
You never really wanted me around  
All right hey never mind  
I'll be back from time to time  
Why would you lock yourself away  
If I  
If I  
Came around back and climbed in your window  
I wonder what would you say  
I'm coming up  
I'm coming up  
Take my pulse and take my picture  
I wanna be a household fixture  
Build me up  
Just to take me down  
On and on it's never ending  
What's the point in pretending  
You never really wanted me around  
I'm coming up  
I'm coming up  
Take my pulse and take my picture  
Take my pulse and take my picture  
Take my pulse and take my picture  
My picture
