Living.
I've got to do what I got to do.
I know that time passes by
But keep on livin' for the love of something better.
Prainsin'
I've got to feel the pleasure yeah
Cuz I sure know why I'm in this world right now.
I got to praise him all in the open.
I know that time passes through
But ain't one day I ain't gone be praisin'...

U

I
I keep on praisin' & standing.
I know hat God has my life
Within his palms and his arms are wide open.
I
I see that thangs ain't gone be easy yaw'l
So I need that fundamental base right now
I see the sand is running out
Cause I know that U are pure truth.
I want to give my all to...

U

GOT ME PRAISIN U
GOT ME BUGGIN' OFF OF U
GOT ME MOVING MOUNTAINS
MOVIN NEGATIVE VIBES FROM AROUND ME
GOT ME PRAISIN U
GOT ME LOVIN' U
GOT ME CLIMBIN' MOUNTAINS MOVIN' MOUNTAINS
POURING LIBATION
