[B.G.]

Baby gangsta got an A.K.
With 50 shots for that ass
We play it raw on V.L.
If you lame you can't last
No hesitation in my ??? is to blast
Any false move will leave a nigga on their back
Wodie I'm young but strictly bout my cash
Fuck petty check I want it in thousand dollar stash
I'm a nigga that's on the grind for six figures
I'm a chilla but bring me out my back I'm always splita
You kill me it really don't matter to lil B.Geezy
It's cool whoa I'm waitin' to see my nigga L.Teezy
No bullshittin' I fuck bitches by the pack
Hoes be wishin' to watch t.v's in the Expedition
Me and Lil Wayne keep it real like we supposed to
It's a few niggas carros (???) that i get close to
Any other I put a slug above their shoulder
It ain't no secret I represent uptown soldiers

[Lil Wayne]

Now I be gettin' down and dirty from the U.P.T.
Nigga try to test bless his soul he rest in peace
You mess with me and you will see how messy it be
Lil Wayne hat tipped Dickies fall to my feet
I done went a lot of places
The same nigga that be jumpin' out some cases
Yes I pull up in my Compressor (Mmm-hmm)
You seen me earlier in the Lexus
That's how we do it
What, got something against me and my cash money
brothers
Yeah I thought but nigga know that I'm a young head

I keep it real like a mamasita don't play that

Now wait what where my guns at
Where all my niggas who ready to bust back

[Mannie Fresh]

Whoa Kemosabe, Big ballin is my hobby

You don't want it in your mouth put it in your butt
Breathe it up like town

Knock a bitch out, then wake a bitch up
Then knock a bitch out again
Y'all pick the bitch up

Bad ass mad ass captain bitch beater (MMMM)

Ask your pa who the man (Mannie in old man's voice)
