Verse 1

If you see me fallen, would you be the one that
Would pick me up.
If you see me crying, would you give me a smile and
even love.

Now if I, don't find a home, then would you, open your
arms
Let me inside, and keep me from harm.

Chorus

Is this it, is she the one? love and merci and carry on.
Would she stay or let it go?
Heaven Knows, ooh Heaven Knows.

Verse 2

If you be my lady, years years later, would you stay?
If you get pregnant, having my baby, would you run
away?
Now if you, don't find a home, would I open my arms.
Let you inside and keep you from harm

Chorus

Is this it, is she the one? love and merci and carry on.
Would she stay or let it go?
Heaven Knows, ooh Heaven Knows.

Heaven Knows, Heaven Knows.
Is she the one?
Would she stay, or let it go
Heaven Knows, ooh Heaven Knows.
