Verse 1

Look into my eyes, tell me baby what you see tonight
I'll be able to catch, just let me know if you're falling
right
There's nothing to be ashamed of, there's nothing to
be afraid of
Now we know that we have to move on;

Chorus

Ooh, She wants to fly away, I want to fly away
Let's fly today
Ooh, She wants to fly away, I want to fly away
Let's fly today

Verse 2

Look into my eyes, baby you will see no disguise.
I was able to catch you, you know it forever now
There's nothing to be ashamed of, there's nothing to
be afraid of
Now we know that we have to move on;

Chorus

Ooh, She wants to fly away, I want to fly away
Let's fly today
Ooh, She wants to fly away, I want to fly away
Let's fly today

Stick

She wants to fly away, She wants to fly away, She wants
to fly away, She wants to fly away

Chorus

Ooh, She wants to fly away, I want to fly away
Let's fly today
Ooh, She wants to fly away, I want to fly away
Let's fly today
