And heart strings weren't well connected.  
And our veins weren't well exposed.  
And the only is straight down.  
Until you drop dead.  
And the only is straight down.  
Until you drop dead.  
Weakened and diseased with your bleeding affection.  
My only affection is that which makes me ...  
Want to rip out your eyes, and your heart,  
And watch you die.  
Watch you die ... watch you ... die.  
Clinched fists and a fiery hate.  
Satisfaction is knowing your in pain...

Clinched fists and a fiery hate.  
Satisfaction is knowing you're in pain ...  
Knowing you're in pain.  
Weakened and diseased with your bleeding affection.  
My only affection is that which makes me ...  
Want to rip out your eyes,  
And your heart,  
And watch you slowly die.  
Engraved these words ...  
Engraved these words.  
This won't stop until your heart dies ...  
Until your heart dies. Engraved ...  
Until your heart dies. Drop dead!
