"My Only Fame"

I'm here
try to sing a song
a little song
just for you God

got not much
what I can say to you
got not much
that I can give you

yes I know
there is nothing else
nothing else
as just to stand here

one is true
yes I know for sure
the only fame
is just you God

my god, my god is a good god
my love raises up to you
help me to love you forever
my god, god is love

I'm here
try to sing a song
a little song
just for you God

got not much
what I can say to you
got not much
that I can give you

yes I know I love you God

my god, my god is a good god
my love raises up to you
help me to love you forever
my god, god is love

I'm just here to say I love you God

my god, my god is a good god
my love raises up to you
help me to love you forever
my god, god is love
